

Technical Data

Product: Straight-through valve DN 25 ISO-KF - BIV 25 M AL
Part No.: 215388

Nominal size:	DN 25 ISO-KF
Drive configuration:	Manually operated - Rotary knob
Mains connection:	- - -
Operating range:	1.0×10^{-8} - 5000 mbar
Service life:	20.000 cycles
Conductance at molecular flow:	14.0 l/s
Leak rate:	1.0×10^{-9} mbar l/s
Differential pressure	
Closing direction:	5 bar
Opening direction:	5 bar
Ambient- / Operating temperature:	0 - 120°C
Material housing:	Aluminum
Material bellows:	Stainless Steel
Material seals:	Viton / FPM / FKM
Weight:	0.49 kg
